Dear Former USC Trojan Baseball Player:

Whether you played at Bovard or Dedeaux, donned flannels or double-knits, and used wood or aluminum, you're invited to become a charter member of the newly formed **USC Baseball Alumni Association**.

Our goals are straightforward: to provide an avenue for former Trojan ballplayers to get together, and to actively support our current USC Baseball Team and program.

Upcoming activities are already being planned, including a big booth at Homecoming on November 1st (where we will have more information on the UBAA), our first general meeting in the very near future, and an Alumni Jamboree Weekend from February 6th – 8th. There will be much, much more to come, but our most important event right now is the recruitment of members!

And that's where you come in. Please complete the enclosed information form, include a check or credit card information for the \$25 annual dues, and send it back to us in the return envelope we've supplied.

As an added benefit, by joining now you will also become a member of the USC Heritage Club, an organization exclusively for former USC athletes.

Your prompt response will enable us to get the UBAA off on the right track, and to ensure that we continue our heritage as "The Best College Baseball Program Ever."

Thank you for your support and fight on!
